Dear Joe:

Kvaerner Power would like to thank Logue Industries for the outstanding service and cooperation we have received from your company. Due to the nature of our business in the power industry there are many emergency and quick turn around items that in order to serve our customers, we appreciate vendors that provide the service such as your company. We would like to give a special thanks to Jeff, Bob, and the shop employees for the outstanding support we receive. It has been a pleasure working with your company.

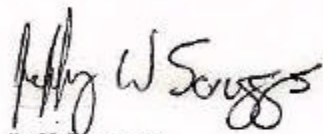

Please realize that this service and support is not overlooked. We will continue to recommend your company to anyone that has a need for the services you provide.

I would like to thank you all again and look forward to using you as a preferred vendor in the future.

Thank you,

Pete Lorson
